

**Mechanicville-Stillwater
Little League**

February 1, 2024

Dear Mechanicville-Stillwater Area Businesses:

My name is Scott Mullin and I would like to introduce myself to you as the President of the Mechanicville-Stillwater Little League, (MSLL).

On behalf of the MSLL Board of Directors, I would like to express our deep gratitude for your unselfish donations each and every year to support the local sports programs in the Mechanicville-Stillwater area. Your commitment to your community and sporting events helps provide a safe and healthy environment for the children to learn and play baseball.

Since 1951 MSLL has been providing [Volunteer Opportunities \(msllbaseball.org\)](http://msllbaseball.org) quality baseball instruction and games at the George H. Pickett fields located in the City of Mechanicville. We hope that you will continue or begin to support the nearly 200 children who play baseball each and every year by sponsoring a team and/or having a sign on the field displaying your company name, logo and contact information.

We are enclosing this year's sponsor forms for team and sign sponsorships. Please note if you were a previous sponsor the enclosed application is filled-out with your sponsorship elections from past years. You can choose to go with the same sponsorship program or change the application as necessary. This year each sponsorship package includes recognition on the MSLL website and a hyperlink to your website. Team sponsorship application forms and payment need to be received by April 1, 2024 in order to allow ample time for placement of the uniform order. Team sponsorships will be given on a first come, first serve basis.

Once again, thank you for your generous support throughout the years and we look forward to your continued support for many more to come!

Scott Mullin
