

Hello Mechanicville-Stillwater Little League Family!

Lakes Edge Photo is honored and excited to have been chosen to be this year's photographer for the Mechanicville-Stillwater Little League organization for individual portraits and team photos.

Families will notice that our ordering process uses a modern approach and gives you the customer, total control over which photos and poses you want to purchase. No more letting your photographer choose which pose or photo they think you will like best. You will have multiple poses and backgrounds to choose from, and best of all, no more paper order forms to deal with.

We have a wide variety of photo products available to choose from, including multiple sized photo prints, coffee mugs, water bottles, luggage/bag tags, high resolution downloads, etc. Be sure to check out our packages to get big discounts.

All players will be scheduled for their photos in groups with their team. See below for the photo schedule.

How to use our ordering system.

1. Opt in to the gallery (do this by one of the following methods)
 - a. Text **MSLL22** on your phone to 90738 OR
 - b. Using a web browser on a computer, tablet, or phone; visit website **galleries.photoday.io** and enter **MSLL22** into the gallery code box

By opting in to the gallery, you will be notified as soon as your athlete's photos are posted for viewing/purchase.

2. All orders will ship directly to you soon after you place your order. No more waiting for all orders to be placed and one delivery to the league. This gets you your photos much quicker!
Want FREE shipping?
 - a. For FREE shipping, purchase a \$35 advance pay credit. Advance pay is like buying yourself a gift card. It is no different than providing a check to your photographer ahead of time, but this time, you get to choose the photos you like, not relying on your photographer.
 - b. If you do not purchase an Advance Pay, you can still get free shipping, but only with a minimum of a \$60 order.
3. As soon as we finalize the edits and background compositions, all photos will be uploaded to the gallery. If you opted in to the gallery in step 1, you will get a text notification. Follow the link in the text and begin your order.

Your athlete's Coach will be providing you with a postcard that contains this and additional ordering information/details.

**We know this is a new system for most, but we know you will love the experience and the control you have over the process. Should you have any questions, please feel free to email us at photos@lakesedgephoto.com, message us through our Facebook page <https://www.facebook.com/lakesedgephoto>, give us a call at 518-406-6077, or if you see us at the ball field and have questions, just let us know.
